

**Liability Release, Indemnity Agreement, Authorization for Medical Aid**

**PLEASE READ THIS CAREFULLY**

I wish to participate in the ski racing program offered by Crystal Mountain Alpine Club ("CMAC"). I am in good health and have no physical condition that would prevent me from participating in strenuous activity. I am aware and understand that ski racing and participation in CMAC poses certain risks and dangers, including but not limited to injury, disability or death along with dangers of being in a mountain environment, the actions of other persons, the forces of nature, and accidents involving travel to ski venues.

In consideration for allowing me to participate in CMAC, I hereby agree to RELEASE, HOLD HARMLESS AND INDEMNIFY CMAC and its directors, officers, employees, agents, contractors, subsidiaries, insurers and other workers from any and all liability and claims for loss, damage, injury to my person or property resulting from any cause, including negligence, arising out of or related in any way to my participation.

I accept full responsibility for all medical expenses incurred as a result of my participation. I also RELEASE, HOLD HARMLESS AND INDEMNIFY CMAC and its directors, officers, employees, agents, contractors, subsidiaries, insurers and other workers from any and all liability and claims for loss, damage, injury to my person or property resulting from, arising out of or related in any way to any medical aid, assistance, treatment or care provided to me by health care providers.

This release, hold harmless and indemnity shall bind others who might make a claim for me, including heirs, executors and family members.

I have read and understand this release, hold harmless an indemnity in its entirety.
